

Get 24/7 access to **About You** at home and on the go - anywhere, anytime

➤ Step 1: Register at Work:

- ◆ You must register from a work computer - it only takes a few minutes.
- ◆ Go to <https://usp.verizon.com>
- ◆ You will need your Single Sign On (SSO) ID and password
- ◆ Don't have computer access at work? Your supervisor can help
(If you already have a User Security Profile (USP), please move to Step 2)

➤ Step 2: Log On From Home, It's Simple:

- ◆ Go to www.verizon.com/aboutyou from home or any computer with Internet access*
- ◆ This [online tutorial](#) can show you how to log on from home

*This is your personal info. Keeping it safe and confidential is your responsibility. Always remember to log off.
